

## JINGLE/MUSIC IMAGE PACKAGE DETAILS

### **Original music composition and scoring**

Your original music package will be recorded with your specific image and brand in mind. Our goal is to provide a unique and distinguishable sound.

### **No restrictions**

We have made it possible for you to use this package in all local media (television, radio, internet, on your phone system, or inside a retail establishment) for as long as you desire.

### **A minimum of 6 time variations (cuts) for your project**

Your music package will come with at least six cuts of one musical theme. You are in control of the amount of singing and times that are best for your ads (30-seconds, 60-seconds and so forth)

### **A variety of vocalists and styles to choose from**

You can choose from male, female or a group. Plus, you can specify the type of delivery or genre you want—edgy, smooth, playful, dramatic, rock, jazzy and etc.

### **Slogan/Positioning Statement development**

Should you find yourself at a loss for ideas, we can help. We'll help you develop ideas, phrasing and slogans that are most appropriate for your package.

### **We are very accessible to you throughout the recording**

We pledge to work closely with you throughout the recording. The more we understand about your wishes and business, the better we can assist you.

### **The ability to make minor alterations to your draft**

We want to make sure that you are satisfied with the sound of your project before it airs. So, if you'd like us to tweak your draft or make some changes, just let us know.

### **Online access**

During the recording and drafting process, you will have the ability to log on and check where we are with your project. Also, you can download your drafts and final recordings online.

## **PLUS:**

A 90-Day Draft Revision  
Guarantee for each project
